Dear Dr.

STAT

I have received your letter of 6 November 1984 (with enclosures) applying for our History Staff opening.

I note on your curriculum vitae that you were born in Dundee, Scotland. I would be grateful if you could let me know whether you are now an American citizen, since I have to report that--as noted in our AHA Perspectives advertisement--U.S. citizenship is required for this position.

In any event, I am glad to know of your interest and I look forward to your reply.

With all good wishes,

Yours sincerely,

STAT

J. Kenneth McDonald
Chief Historian
